Welcome to the Shwe-shwe Poppi family. These are the living stories of a crèche in Soweto, South Africa, run by the African Children's Feeding Scheme which feeds 21,000 children daily to fight malnutrition in the townships of Johannesburg. The Shwe-shwe Poppis are based on drawings by some of the children in the crèche, and then each drawing is lovingly made by mothers, fathers, and grandmothers into dolls.

Sizes Mini 12x10cm \ (keyrings, cell phone accessories and luggage tags), Medium 28x17cm (with shweshwe bag & label) and Maxi supplied without packaging. Each item comes with a tag as shown above. Allow 2 – 4 weeks for delivery.
