Kaross started in 1989 as an employment creation project by a farmer's wife. Today in the Limpopo Province, Kaross provides income to over 800 women. Borrowing on the Tsongo and Shangaan traditions, these women create highly detailed, exquisite embroidery, of which no two are alike. Monthly production is 2000 – 5000 pieces. Portraits come with wooden frames. Colour options: brights or pastels. Allow 4 – 6 weeks for delivery.
