

ZAZEN MARKS

These marks are representative of the values of Z.A.ZEN

Z.A.ZEN Quality Mark

The Z.A.ZEN Quality Mark is our indication that everything we do, be it services or export products that everything is done with an eye to quality. All export products have undergone inspection and meets the Z.A.ZEN quality standards. While we appreciate the handcrafted nature of selected products, each item must meet certain quality standards to be considered for export.

Z.A.ZEN MADE BY HAND MARK

The Z.A.ZEN "Made by Hand in South Africa" mark indicates the hand made nature of the product.

Z.A.ZEN ALL NATURAL PRODUCTS MARK

The Z.A.ZEN "All Natural Products" mark indicates that this product is made with environmental materials from local grasses, twigs or fibres, or products of natural fibres, or is of recycled materials.

PROUDLY SOUTH AFRICAN MARK

The Proudly South African mark is the emblem of a national campaign led by the South African government. This official mark indicates that the product content, product quality, production capabilities, labour practices and environmental practices meet certain standards as described by government.

HIV/AIDS Awareness Mark

With HIV/AIDS affecting the lives of one out of every five adults in southern Africa, HIV/AIDS is a serious issue in Africa. A number of craft initiatives started as HIV/AIDS counselling and support organisations. It was found that craft allows people affected by HIV/AIDS to learn new skills and generate income, which is critical to their well-being.

Purchase of products with this mark provides direct income to people living with HIV/AIDS.
